

Post: [Jehovah - God of History?](#)

April 24, 2025

Incredible linkage between the seven days of the Jewish Passover, and seven other Jewish festivities of same year, mentioned in Torah or added later (throughout Jewish history).

Here is a table detailing this correspondence (Hebrew/English).

An example, for the year 2025, is displayed on the left-most column. For this year, Passover started **Sunday** (April, 13th) and ended **Saturday** (April, 19th):
